

POPULAR BUILDING DONE JULY 1; A \$35,000 GARAGE ON FLORENCE

First Unit of \$250,000 Department Store Will Soon Be Ready to Occupy; Court House Construction is Progressing Quite Rapidly; Number of New Apartment Houses Are Planned For Year.

By July 1 the Popular Dry Goods company expects to occupy the eastern portion of its new six story home, under construction by Kroger, Mayfield & Shaw at Mesa and San Antonio. As soon as the stock of the store is taken out of the old three story building on the corner lot that structure will be demolished to make way for the new, main section of the store. The whole building, which will be completed by the middle of September, will represent an investment of \$250,000. It is being finished in pure white, inside and out, glazed terra cotta for exterior and cement plaster for interior. Several of the floors are nearly ready to receive furniture and stock now in the new unit.

Courthouse Progressing.
At the new county courthouse the brick and terra cotta exterior finish is being put on the second floor on the north front and east wall and the granite base for the wall on the west in laid. Early next week the right beam that will span the 24th district courtroom will be poured. These beams will have a span of 19 feet and will support the floor of the courtroom. The walls in the courtroom will be in the interior are being put in.

Steel Jail Equipment.
St. Louis has just returned from St. Louis where he went to inspect the manufacture of the steel cells for the jail department, which will be at the top of the building. He said Friday that the steelwork of the cells is being made in the most approved manner. Specialists in such construction, Mr. Trost said, pronounced the cell work to be the finest of its kind produced in the country. Marble for the floors, tiling and stairways of the courthouse grand lobby has arrived and the work of setting it in place will begin within two weeks.

Second Garage.
A contract has been let to Jennings & Woods for the building of a \$25,000 garage at the corner of Texas and Florence streets. It will be of brick and will contain 120 to 150 feet dimensions, with concrete floors. The garage will be built by J. P. Dym, Charles Moss and James L. Marr. Braunton & Liebert are the architects.

\$7000 Store.
Chas. and Ned have ordered plans prepared by Trost & Trost for the construction of a store room on the lot on Texas street to cost about \$7000. The building will be of one story. The DeBrotts have also let a contract this week for the remodeling of the one story brick structure just east of the Overland hotel, facing Mills street, and the work is in progress. Several stores will be the result, each with an attractive glass front. Trost & Trost drew the plans.

More Paving.
O. H. Palm, who has been associated with Charles H. Leavelle and R. E. Sherman in the real estate business for the past two years, has withdrawn from that firm to enter the employ of the James A. Dick company. The real estate organization will be known as Leavelle & Sherman in future.

New Apartment.
R. A. Nook is moving into his new apartment house in the 15th block on Stanton street. He has just completed the Phoenix-El Paso Building company. The structure cost approximately \$7000 and is of brick.

The Phoenix-El Paso company has also completed a new brick bungalow on Tulare street, in the 22nd block, for Alex C. Rhodes, which he occupied July 1.

Cattlemen Buy Home.
Cassidy & Neel sold this week to J. T. Harrington, cattleman from near Palo Alto, a two story residence at 2222 Montana for \$1200.

Three brick bungalows have just been completed by Cassidy & Neel to the block on Nevada street. One of them is of four rooms and sleeping porch and the other two are of five rooms each, with porches. The total investment in the houses is \$7000.

Through the agency of Cassidy & Neel, Tom Holland has sold to Walter Hadlock a residence on Nevada street and two lots on South Campbell for \$2500. The buyers sold to Mr. Holland two houses in Orchard Park for a like sum.

Three New Apartments.
Three apartment houses that will represent a total cost of \$170,000 will be erected by this year by the Security Realty company. All of them will be situated on the north side of the city. Plans and specifications will be ready for one or two sites this month, J. R. Ellis says. Construction depends on arrangements for money that are being completed.

High School Building.
The exterior walls of the El Paso high school will be finished by the middle of next week. The building will be ready for occupancy in time for the next term of school. The stadium is complete and was used during the week for the high school cadets for their prize drills and review.

Within six weeks the new Roberts-Bauser building of eight stories at the southeast corner of Stanton and Mills streets will have its roof on. The architects, Braunton & Liebert, said Friday.

John Mulligan, the contractor, has completed pouring the pillars and floors of the basement and first floor and will begin the concrete work on the second floor next week. The cost of the building when complete will be \$250,000.

Jail for Dealing.
Plans for a jail for Luna county, New Mexico, to be built at Deming at a cost of \$25,000, are being drawn by Trost & Trost. The jail will have the same class of cells that are being built for the new courthouse in El Paso. The same architects are arranging for the erection of a brick school house at Miami, Colfax county, New Mexico, to cost \$1500, and a residence in Douglas, Ariz., for W. M. Anderson, to cost \$1000.

\$10,000 Ranch Sold.
F. N. Hall and wife have just sold a 40 acre ranch from H. M. Adams for a consideration of \$10,000. The property is located between Fort Huachuca and the Rio Grande. The buyers expect to stock this property

at once. The sale was made through the White-Paden Realty company. Ernest Wright has bought the Sunny Crest sanatorium from Louis J. Payer for \$14,500. This is located on Tremont street in Highland Park. This sale was made by K. L. Hatfield of the White-Paden Realty company.

Wyeth Doak has sold to H. M. Walker 80 acres located near Chamberlain, N. M., for \$10,000. This is a well improved ranch. The sale was made through the White-Paden Realty company.

Louis J. Payer has bought from E. Wright three bungalows on Idalia street in Grandview, one bungalow at 2101 Kentucky street and 23 lots in Grandview addition for a total consideration of \$17,600. These sales were made by K. L. Hatfield of White-Paden Realty company.

\$60,000 KRUPP WHOLESALE HOUSE

LOCAL contractors are being requested to file bids for the erection of the new wholesale storehouse of Haymon Krupp & Co., to be built at the corner of South Santa Fe and West Overland streets. The building is to be four stories high, with basement, and of the dimensions of 60 by 120 feet. It will be of concrete construction, absolutely fireproof. The walls will be faced with dark, rough brick, trimmed with white stone. Freight and passenger elevator service will be installed, as well as a package chute. The building will have concrete floors throughout, will be modern in every respect and will cost approximately \$60,000. It will be built for Haymon Krupp and leased to the dry goods house of which he is the head. Mr. Krupp recently purchased the site from Z. T. White. The plans were drawn by Trost & Trost.

Father, Mother and Brother Arrested; Investigation Being Made.

The father, mother and brother of Jorge Mendez, who was found dead on the steps of his home at 3022 Central street Friday morning, have been arrested by the police and are now being held pending an investigation of the death of the Mexican man. Mendez's body was found at the doorway of his home with his head crushed and two bullet holes in his head and body. An investigation of the man's death was started by the police immediately after the body was discovered and a close questioning of Mendez, the young man's father, Severino Mendez, his brother, and Mrs. Amada Mendez, his mother, their arrest followed a close questioning of the family regarding the circumstances surrounding the death of the Mexican and of the finding of his body. The mother of the dead man was removed to the county jail Saturday morning because the accommodations were better there in the woman's section than in the city jail. The father and brother are being held in the city jail.

The dead man was a painter's helper at the El Paso & Southwestern railroad and was considered a steady and reliable worker by his employer. Officer J. M. Deaver has not rendered a verdict in the case.

PROVOST GUARDS WEAR NIFTY BLUE ARM BANDS

Provost guards patrolling the streets resemble a bunch of college boys out for a baseball game. They are wearing nifty little blue bands similar to those worn by college men at ball games.

The arm bands are the letters "M. P." which signifies that they are members of the army's municipal police. The arm bands were distributed to the provost guards Friday.

HOTTEST MAY HERE SINCE 1911

Weather Bureau Shows It Was Drier Than Usual This Spring.

The month just passed was the hottest May in El Paso since 1911, when the average for the month was the same, 72 degrees. The hottest day during the past month, as recorded by the weather bureau, was when the thermometer registered, 97 on the 9th. The highest temperature in the 34 years' history of the weather bureau in El Paso in May was 105.

The entire spring has been unusually warm, with an accumulated excess of temperature since the first of January of 452 degrees, an average of three degrees a day above the normal. There is a shortage of rainfall for the same period amounting to 0.23 of an inch. There were 27 clear days, three cloudy ones and only one cloudy day during the entire month of May. There was much high wind in May, the average velocity being 13.3 miles an hour. The highest wind blew 45 miles an hour on the 26th.

BASE HOSPITAL AT FORT NOW HAS 262 PATIENTS

There are now 262 patients in the base hospital at Fort Bliss. These men have been sent in from the front, from Columbus and other places along the border. The Texas national guardmen who were in the hospital last week suffering from minor ailments, have been discharged and have rejoined their commands in the El Paso district.

The base hospital is being enlarged by the addition of five wards and, when these are completed, will have a total capacity of 500 beds. The new automobile ambulances which were received recently at the hospital are now in service and are being used to move patients from the front to the fort. They are equipped with trailers.

350 EDITORS HERE NEXT WEEK

Badges Received to Label Pen Pushers; Automobile Ride Being Planned.

Badges have been received by W. J. Bule, chairman of the reception committee for the Texas Press association convention next week, and will be distributed to delegates as fast as they arrive from east Texas next week. Mr. Bule expects 350 here for the convention and the reception committee is making plans for registering all of the delegates and assigning them to rooms as fast as they arrive.

The entertainment committee, of which W. J. Bule is chairman, has been announced. The committee consists of G. A. Martin, chairman; Charles A. Braun, B. H. Caddie, W. J. Bule and Norman Walker. As a part of the entertainment for the visiting editors an electrical pilgrimage will be made to Juarez Tuesday afternoon on special street cars as the guests of Gen. Gabriel Gavira and mayor Manuel Prieto. This trip has been arranged by Carra, a ranchman and a local automobile enthusiast. The trip will also be the guest of the association at the banquet Thursday night. Wednesday afternoon an automobile ride over the city, to the fort and down the valley has been arranged and local automobile owners are now being canvassed in an effort to secure 25 cars for the trip.

Excursion to Cloudcroft.
The convention will close with the special excursion to Cloudcroft Friday, when all of the editors will go as the guests of El Paso and will be entertained at Alamogordo by the Commercial club there with an automobile ride and with a supper on the return to Alamogordo from Cloudcroft. A luncheon will also be served at Cloudcroft Friday.

TAKES THE PLACE OF DANGEROUS CALOMEL

New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Gripe, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you

right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
